## PERSONAL REFLECTION

**1.** What are you passionate about? If you could make a difference in the world, to make it a better place, what is something that you would change?

**NOTE:** *This could be your school world, neighborhood, surrounding community, city, or the international world. For example: it could be creating safer neighborhoods, encouraging people to be kind, curing cancer, fighting poverty stopping human, trafficking, or seeing less trash on the streets in your town.*

**2.** What single, small expression of this big dream could you begin today, that will move you from simply a dreamer to a doer of your dream? Finish these sentences.

**Today I will...**

**Tomorrow I will...**

**By next week I will...**

**“Let’s be  
part of  
something  
bigger  
than  
ourselves,  
it’s time to  
Dream  
Small!”**

## GROUP DISCUSSION

Share your small dream with the group and the first steps you are going to take.

## NEXT STEPS

What would you do today if you knew you wouldn't fail?  
**Today I will...**

After the **GLS NEXT GEN** today, share what you have learnt during this session to a friend or family member and tell them about your small dream. Ask them to keep you accountable to taking action and let them follow you up in the next few weeks to see what you've done.
